2. STRATEGIC PLANNING & BRIEFS

Nordic Horizon Wealth (90001) (ACME-EU-90001)

Contact: Marie Lefebvre

Strategic Brief:

Account brief (structured offline)

****Summary**** — Nordic Horizon Wealth (90001) (ACME-EU-90001) in NL / PIAO: propensity 0.93, blended API score 0.77, whitespace potential €1,500,000.

****Relationship & performance**** — Use relationship_depth and engagement data from the scoring row in the workbench.

****Whitespace**** — Prioritize the top whitespace lines already ranked by expected revenue in the API payload.

****Contacts**** — Lead with highest-influence contacts from the influence-ranked list.

****Next actions**** — If API "e0.75 schedule a QBR; 0.5–0.75 discovery; below 0.5 nurture. Align plays strictly to those bands.

Model note: Brief generation could not reach the model (LLM_RETRIES_EXHAUSTED). Several LLM attempts failed in a row. See the technical summary for the last errors. Technical: OpenRouter planning chain failed after retries: try=3 json_mode=True: Error code: 404 - {'error': {'message': 'No endpoints found for anthropic/claude-3.5-sonnet.', 'code': 404}, 'user_id': 'user_3EJ4QyXP7R9ibdM2tJunsYQKi9'} | try=3 json_mode=False: Error code: 404 - {'error': {'message': 'No endpoints found for anthropic/claude-3.5-sonnet.', 'code': 404},

Tactical Call Plan:

Tactical Call Plan

****Discovery questions****

1. What are your top investment-admin priorities for the next 12 months, and where do you see friction today?
2. How do you currently evaluate new fund-services or product extensions with Philip Lefebvre (Investment Director)?
3. What would need to be true for IQ-EQ to earn a deeper mandate on the themes in your brief?

****Call objectives****

1. Validate fit and urgency around: Depositary Services, Governance, Risk & Compliance, KYC/AML Outsourcing, ESG Reporting, Corporate Secretarial.
2. Agree on a concrete next step (workshop, deep-dive, or executive alignment) with Philip Lefebvre (Investment Director), Thomas Lefebvre (General Counsel), Sophie Vermeulen (Head of Fund Operations), Elena Vermeulen (Head of Fund Operations).

(Structured offline template for ACME-EU-90001 — use when the live model is unavailable.)

****Model note:**** Call plan drafting could not reach the model (LLM_RETRIES_EXHAUSTED). Several LLM attempts failed in a row. See the technical summary for the last errors. Technical: OpenRouter planning chain failed after retries: try=3 json_mode=True: Error code: 404 - {'error': {'message': 'No endpoints found for anthropic/claude-3.5-sonnet.', 'code': 404}, 'user_id': 'user_3EJ4QyXP7R9ibdM2tJunsYQKi9'} | try=3 json_mode=False: Error code: 404 - {'error': {'message': 'No endpoints found for anthropic/claude-3.5-sonnet.', 'code': 404}, 'user_id': 'user_3EJ4QyXP7R9ibdM2tJunsY

Silverstone Ventures (90002) (ACME-EU-90002)

Contact: Luca Bianchi

Strategic Brief:

Account brief (structured offline)

****Summary**** — Silverstone Ventures (90002) (ACME-EU-90002) in NL / PIAO: propensity 0.93, blended API score 0.47, whitespace potential €600,000.

****Relationship & performance**** — Use relationship_depth and engagement data from the scoring row in the

workbench.

****Whitespace**** — Prioritize the top whitespace lines already ranked by expected revenue in the API payload.

****Contacts**** — Lead with highest-influence contacts from the influence-ranked list.

****Next actions**** — If API "e0.75 schedule a QBR; 0.5–0.75 discovery; below 0.5 nurture. Align plays strictly to those bands.
